*Praying for
Your Health*

**Prayer for Healing
to St. Clare of Assisi**

St. Clare,
you were no stranger to suffering,
bearing the cross of illness
for more than 28 years.

Woman of hope,
you teach us the secret of finding
peace in our suffering.

Friend and healer of the sick,
I come to you with confidence,
asking for the grace of healing,
serenity in my suffering,
and comfort in my pain.

Through your intercession,
may I have faith to recognize
the value of my suffering when
united with that of the Crucified
Christ.

I pray this in the name
of Jesus, our Lord. Amen.
